YOUTH RABBIT WORKSHOP

February 25, 2012, 10 am-1 pm
Langley Bell 4-H Center

The workshop will be taught by Helen Wartman, a local rabbit breeder with 20 years experience with rabbits and teaching youth.

The following areas will be covered:

Responsibilities:
- Daily care
- Nail clipping
- Grooming
- Teeth and Ears
- Ownership
- Health and Nutrition

Different Breeds

Housing:
- Equipment and sanitation

Showmanship:
- Production and Meat

Record Keeping

Companion Rabbits

Medical management

No cost. Each child must bring their own rabbit in its own carrier, a towel for setting their rabbit on while learning the showmanship, a brush and nail clippers (if you have them), a roll of paper towels for any mess their rabbit may make, and a package of unscented baby wipes for wiping down the rabbit. Also have the kids write down any questions they may have that they wish to ask. Also, child may bring snack if they wish.

Must preregister. Call Fran Lainhart, 475-5230 or lainhaf@ufl.edu to register.
