The National Parks (not State Parks) that I read names of at the Task Force meeting are all part of the Gulf Islands National Seashore and are:

Perdido Key Area, Naval Live Oaks, Okaloosa Day Use Area, Fort Barrancas, Advanced Redoubt, Fort Pickens and Santa Rosa areas, Johnson Beach, and National Museum of Naval Aviation. I'm not sure, from the wording, if Johnson Beach and the National Museum of Naval Aviation are considered part of the National Parks system. or not. The info was taken from the Florida District- Gulf Islands National Seashore website. Let me know if you need anything else.

Dana Beth,

Please send me the list of State Parks that you read off at the Task Force meeting along with any other documentation that you may have distributed at the meeting the other night. This office must keep a copy of all documentation.

I apologize but I did not make a note of some of the parks you mentioned aloud at the meeting and I need to add that to the meeting minutes. Thanks.
