Pasture Weed Management
July 10, 2012
Escambia Extension Office
6pm

Managing Weeds in Pastures and Fields

Speaker:
Dr. Ramon Leon, Weed Scientist
UF/IFAS WFREC– Jay

Cost: $5

This will be an interactive program to help answer your individual questions and address pasture needs. Please bring any weeds you would like for identification and control recommendations.

Please contact Fran Lainhart for reservations at 850.475.5230 or lainhaf@ufl.edu
