Thank you to all the agribusinesses who generously support Farm Day.

GRACE FELLOWSHIP CHURCH HALL
1412 E Nashville Avenue
(West Highway 31)
Atmore, AL 36502

This document is a flyer for Farm Day 2014, which was sponsored by UF/IFAS Extension & Alabama Cooperative Extension. It includes a list of speakers and their topics:

- Dr. Kathy Flanders: Hessian fly and other insect issues
- Dr. Ed Sikora: Soybean Issues—soybean rust and variety selection
- Dr. David Wright: Cotton—growth regulators, varieties, interaction of potassium deficiency, nematode damage, and foliar leaf disease and Kudzu bug
- Dr. Nathan Smith: Economics—Looking into the Future
- Dr. Bob Kemerait: Diseases of crops—corn, peanut, soybean, cotton, wheat

The event took place on Thursday, February 13th, with registration starting at 8 am. Contact information for FLORIDA and ALABAMA speakers is also provided.
